

# Women in Renewable Energy

## (WiRE 2025)

### Satellite Event of ICMAT

**4 July 2025**

**9:00 – 16:00**

**NTUC Centre, Level 8,  
One Marina Boulevard,  
Singapore 018989**

## Event Details

The Fifth Women in Renewable Energy (WiRE) celebrates women's achievements in renewable energy, addresses the challenges they face, supports the next generation of women scientists, and highlights how today's breakthroughs build on the perseverance of those who came before.

#### Conference Chair

Zakya H. Kafafi  
Lehigh Univ. (USA)

#### Conference Co-Chairs

Natalie Stingelin  
Georgia Tech (USA)  
Quyen Nguyen  
UC, Santa Barbara (USA)

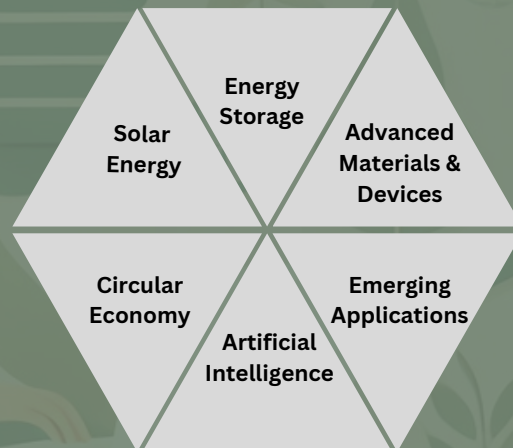

#### Local Conference Chairs

Liu Bin  
NUS, Singapore  
Annalisa Bruno  
NTU, Singapore

## Workshop Speakers

- Maria Antonietta Loi  
(U of Groningen, Netherlands)
- Liu Bin  
(NUS, Singapore)
- Mirjana Dimitrievska  
(Empa, Switzerland)
- Clare P. Grey  
(Cambridge Univ, UK)
- Ying Shirley Meng  
(U of Chicago, USA)
- Yeng Ming Lam  
(NTU, Singapore)
- Eunji Lee  
(GIST, S. Korea)
- Susan Trolier-McKinstry  
(Penn State Univ, USA)
- Hongxia Wang  
(QUT, Australia)
- Huiqiong Zhou  
(Nanoctr, China)

## Call for Abstracts

Submit your abstract on key trends in renewable energy, focusing on research led by women scientists and engineers.

**Deadline** 31 May 2025

**Email** [wire.sg2025@gmail.com](mailto:wire.sg2025@gmail.com)

**\*Attendance is free but registration is compulsory. Interested participants should send an email with the subject "registration" including their Name, Job Title, and Affiliation.**

**Contact us for more details**
